DISTRICT Kreuzberg I LOCATIONRENT on request

THE LOCATION

The MAMPE manufacture Berlin welcomes you to the heart of the capital, in the centre of Kreuzberg´s lively Bergmannkiez district.

With over 1200 square meters of total space for both indoor and outdoor events, five individually usable rooms with state-of-the-art media and stage technology are available, which can be optimally adapted for events of all kinds, film or photo shoots.

MAMPE Berlin not only works with heart and mind at events, which today is also called `sustainable´. We have always used regional partners and raw materials and achieved the highest level of Sustainable Berlin certification in 2024.
