DBB FORUM BERLIN

PART OF TOWN Mitte | RENTAL FEE upon request

THE LOCATION

The light-flooded building ensemble of the dbb forum welcomes you in a well-connected location in the center of the capital. For more than 20 years, the barrier-free location has been the top address for exciting dialog and encounters, with ten rooms of different sizes for interactive, international and barrier-free events with state-of-the-art media and stage technology, including for the deaf, hard of hearing and visually impaired, covering a total area of 1,300 m². The heart of the venue is the atrium, which can accommodate up to 250 people.

Depending on the event format, you can supplement the atrium with workspaces for group work. The exhibition area, including the catering area, is also extremely spacious at around 400 m².

We attach great importance to sustainable solutions for your event. Back in 2011, the location was recognized by atmosfair for its climate friendliness. Since October 2022, dbb forum berlin has also been certified as a "Leader" and partner for Sustainable Meetings Berlin.
